Special Notes to complete this pattern-

1. All backstitching for this sampler is made with ONE thread, except for the glasses (#924). The backstitching on the upper bar across the bridge of the nose, as well as the backstitching around the cross stitches of the part of the glasses that extend to his left ear are both made with ONE thread. All other backstitching for the glasses is made with TWO threads.

2. The french knot on his right eyeball is made with ONE thread, and the french knot on his left eyeball is made using TWO threads. Please consult the photo for exact placement.
