You did it! You made it to the end! This week you get to choose your sampler's final form – we've offered up eight options (marked A thru H on the next pages). If you have trouble choosing, you can just go back to Pattern 1 and make another. A few things to know:

- The backstitching on options A, E, F and G should be done with two threads.
- The backstitching on option D should be done with one thread.
- Pattern F includes fractional stitches – these are  $\frac{3}{4}$  stitches.
